### Our vision:

Continue to grow a **family of likeminded** schools underpinned by our **moral purpose** to drive **educational excellence**

- Driven by our moral purpose, we place the needs of all our young people at the centre of everything that we do
- The work of the Trust to have a sustained impact upon school improvement
- Built upon their individual foundations, all schools to retain what makes them unique whilst still making a distinctive contribution to the Trust

## Introduction

The Warriner Multi Academy Trust (WMAT or the Trust), is a charitable company limited by guarantee which is governed by its Board of Trustees at a strategic level. The Board of Trustees is accountable to the Secretary of State for the performance of all of the schools within the Trust and for setting the strategic direction of the Trust.

The Board of Trustees have established a governance structure that it believes best supports effective governance and best supports the delivery of the Trust's vision for its schools and young people. This includes the establishment of an Academy Committee (AC) for each of its schools, to act as a link between the Trust and the parents and the community, feeding into the Trust's oversight and management of the school. The Academy Committee supports the Trust Board to ensure that the school's unique vision, ethos and values are established including the Christian ethos of the Trust's Church schools.

The Board of Trustees also delegates some of its own authority directly to the Chief Executive Officer, as the most senior member of staff in the Trust and Accounting Officer, who in turn may delegate authority to other senior leaders in the Trust, whilst always remaining personally accountable to the Trust Board.

This Scheme of Delegation sets out in detail the lines of accountability and delegation. It will be reviewed on an annual basis, but the Trustees reserve the right to review and amend this scheme at any time if required.

WMAT GOVERNANCE AND SENIOR LEADERSHIP STRUCTURE

## Role of Trust Members

- The members of the trust are guardians of the governance of the trust and must ensure it carries out its charitable objective.
- The members agree the trust's articles of association, appoint trustees and appoint the trust's external auditors.
- The members should receive information about the trust's business and receive the annual report and accounts. If they have concerns that the trust is not carrying out its charitable objective, members should remove trustees that are failing to fulfil this responsibility.
- The Trust Members are comprised of;
  - The Diocesan Board of Education acting corporately or the Diocesan Director of Education or their representative
  - Two individual members nominated by the Diocesan Board of Education
  - The Chair of the Trust Board
  - One member appointed as an individual by the other Members recommended by the Trustees.

## Role of the Board of Trustees

- The Warriner Multi Academy Trust is a charitable company and so the trustees are both charity trustees (within the terms of section 177(1) of the Charities Act 2011) and company directors (within the terms of the Companies Act 2006). In the Warriner MAT the Board of Trustees are referred to as "Trustees".
- The Chair of Trustees is responsible for ensuring the effective functioning of the Board and setting professional standards of governance.
- The Trust Board is the legally liable body and therefore structures its governance arrangements and its delegation in such a way to best meet its's purpose as set out in the Academy Trust Handbook (1.1)

*"The academy trust is the legal entity with the board having collective accountability and responsibility for the academy trust and assuring itself that there is compliance with regulatory, contractual, and statutory requirements. The academy trust board provides:*

- *Strategic leadership of the academy trust: the board defines the trust vision for high quality and inclusive education in line with its charitable objects. It establishes and fosters the trust's culture and sets and champions the trust strategy including determining what, if any, governance functions are delegated to the local tier*
- *Accountability and assurance: the board has robust effective oversight of the operations and performance of the academy trust, including the provision of education, pupil welfare, overseeing and ensuring appropriate use of funding and effective financial performance and keeping their estate safe and well maintained*
- *Engagement: the board has strategic oversight of relationships with stakeholders. The board involves parents, schools and communities so that decision-making is supported by meaningful engagement."*

## **Role of the Chief Executive Officer**

- The trustees delegate the day-to-day management of the trust to The Chief Executive Officer, line managing them in line with the trust’s appraisal policy.
- The CEO is also the Accounting Officer, and so is responsible not only for the performance of the trust as a whole but has a personal responsibility to parliament for the regularity, propriety and value for money, and for assuring the board about compliance with the funding agreement and the Academy Trust Handbook
- The CEO line manages the Head Teachers/Heads of School and the Trust Senior Leadership Team
- The CEO is an ex officio Trustee of the WMAT. They will report to the Trust Board and its committees. The CEO will be in attendance at Academy Committee meetings at schools where they are the Executive Head Teacher.

## **Role of the Academy Committee**

- Academy Committees (ACs) are committees of the Board of Trustees. They operate under the delegations set out in this document and the Academy Committee Terms of Reference, both of which are approved by the Board of Trustees.
- Those elected/appointed to serve on an Academy Committee are members of a committee of the Board of Trustees and are referred to as “Governors”. The term “Governors” is not used in the same sense as when it is used in maintained schools where Governors act in accordance with school governance regulations.
- Even where responsibility is delegated to the AC, it is the Board of Trustees or “Trust”, as the legal entity, that holds statutory accountability and not the AC.
- The Trust Board has delegated to the Academy Committees the responsibility for ensuring clarity of vision and ethos at a school level, ensuring that the schools vision and ethos fits within that of the Trust including the trust’s moral purpose and to ensure that each school retains what makes them unique. In the trust’s church schools the Academy Committee are delegated the responsibility of developing with the school leadership team the school’s Christian ethos, values and vision.
- Academy Committees are tasked with scrutinizing management information and holding school leaders to account for;
  - Operating within the Strategy, vision and values of the trust and creating a positive climate for all stakeholders
  - Standards; pupil outcomes, teaching and learning, pupil attendance and behaviour
  - Safeguarding
  - Compliance
  - Engaging with stakeholders

## **Role of the Head Teacher / Head of School**

- The CEO delegates the day-to-day management of the trust’s schools to Headteachers or Head of School, line managing them in accordance with the trust’s appraisal policy.

- The Trustees and the Academy Committee delegates such powers and functions as are required for the internal organisation, management and control of the school (including the implementation of all policies approved by Trust Board and Academy Committee) and for the direction of the teaching and the curriculum at the school. They are responsible for managing the delegated budget and resources agreed by the Trustees. They are responsible for all functions as may be assigned under their job description and contract of employment.
- The "relevant body" for appraisal of Head Teachers and Head of School within the Multi Academy Trust is a group led by the CEO of the Trust, to include the School Improvement Director and at least 1 member of the Academy Committee.
- The Head Teacher or Head of School is an ex officio member of the Academy Committee.
- The Headteacher and Head of School shall be appointed by the Trustees on the recommendation of the recruitment panel. The panel will consist of the CEO, a Trustee and 1 or 3 local governors. In our Church schools the panel will also include a representative of the Oxfordshire Diocesan Board of Education. The appointment at Church schools, will be made with the agreement of the Oxford Diocesan Director of Education.

## **OTHER MATTERS**

- The Trustees and Governors have a duty to act independently and not as agents of those who may have appointed them and will act with integrity, objectivity and honesty in the best interests of the Trust and the school and shall be open about decisions and be able to justify those decisions except in so far as any matter may be considered confidential.
- The income and property of the School must be applied solely towards the provision of the Objects as detailed in the Articles of Association.
- The Trustees and Governors will need to complete an annual declaration of their business interests, conflicts and related party matters.
- Any Trustee or Governor who has any duty or personal interest (including but not limited to any Personal Financial Interest) which conflicts or may conflict with their duties as a member of the AC/Trust Board shall disclose that fact to the other members of the AC/Trust Board as soon as they become aware of it (in compliance with the Academy Trust Handbook). A member of the AC/Trust Board must absent themselves from any discussions of the AC or any sub committee in which it is possible that a conflict will arise between their duty to act solely in the interests of the School and any duty or personal interest (including but not limited to any Personal Financial Interest).
- The Trustees and Governors have a duty to attend meetings regularly in order to carry out their responsibilities. Where attendance level falls below 50% over an academic year, the Chair will discuss with the Trustee/Governor whether they are able to commit the necessary time to their role. It will be at the discretion of the Chair as to whether they feel it is appropriate to have this conversation sooner.
